

FAKHRIAN FAWWAZKI

Semarang, Indonesia | 081992441945 | fahrianfw@gmail.com | [linkedin.com/in/fakhrianfawwazki](https://www.linkedin.com/in/fakhrianfawwazki)

I am a 2nd year student at Sultan Agung Islamic University majoring in Law with a focus on Legal Studies. As a student, I am currently involved in three activities, namely internships, student organizations, and volunteer activities. I am eager to expand my knowledge and skills in the field of Scientific Writing which can be in the form of legal memoranda, case studies or those compiled based on research results to discuss legal issues using legal principles. I would like to expand my knowledge and skills in my field of Legal Studies through new experiences.

The Public Prosecution Service is one of the law enforcement agencies that plays an important role in maintaining the rule of law in Indonesia. The Prosecutor's Office is also part of the state power in the field of prosecution, where all prosecutors in the Prosecutor's Office are under and responsible to the Attorney General. With its main tasks and functions, the Prosecutor's Office seeks to protect human rights, eradicate criminal acts, and maintain public order.

- Gain experience in helping to resolve legal cases, such as drafting indictments, attending trials, and conducting legal research.
- Improve critical thinking, analytical, and problem solving skills in resolving legal cases.
- tasked with socializing the importance of social security to the community, especially the E-Tilang Socialization which is integrated with the Attorney General's financial bureau.
- Prepare indictment containing criminal charges based on the evidence at trial and the conclusions of the public prosecutor.

Headman

Merdeka Belajar Kampus Merdeka (MBKM) is a program of the Ministry of Education and Culture or the Minister of Education, which gives students the right to take courses outside their study program to develop student interests. One of the programs is the Merdeka Student Exchange or better known as PMM.

- Served as cohort leader and participant of Merdeka Student Exchange (PMM) 3, ensuring the safety and well-being of 191 students during the exchange program in Makassar.
- Provided essential information and assistance to students to cater to their needs.
- Conducted extended cultural classes, offering Indonesia cultural experiences to instill the value of diversity.

PMM 4 MBKM Universitas Islam Sultan Agung – Semarang, Indonesia

Feb 2024 – Jul 2024

Mentor

Merdeka Belajar Kampus Merdeka (MBKM) is a program of the Ministry of Education and Culture or the Minister of Education, which gives students the right to take courses outside their study program to develop student interests. One of the programs is the Merdeka Student Exchange or better known as PMM.

- During my time as a PMM 4 mentor in 2024, I was responsible for Group 5 with 23 students, as for some of my duties and responsibilities as a mentor.- Orientation: Mentors are responsible for providing orientation to new exchange students, which includes information about the campus, education system, culture, and practical aspects such as housing, transportation, and daily needs.- Academic Support: As a mentor, I will help exchange students understand the curriculum, select courses, and provide guidance for academic challenges.- Social Integration: During my time as a mentor, I help exchange students interact with local students and facilitate social gatherings or group activities. This helps students feel more connected to the local community.- Special Needs Assistance: If there are special needs such as health issues, licensing, or other matters that need to be addressed, my mentor can assist in finding the necessary resources.- Cultural Understanding: During my time as a mentor, I will share my knowledge of the local culture, traditions, customs, and social norms. This activity is often referred to as the Nusantara Module.
